The Full immersion advantage

The most common criticism of language schools is that students speak their own language when not in class, this weakness is completely eliminated with HLI's method because you are the only student. You live and study in your teacher's house so there is no travelling to and from school every day. You enjoy a private bedroom, 3 meals a day with your host family, receive one-to-one language lessons, and then continue to use the language during the rest of your stay as you share the family's daily life. Mealtime conversation and social contacts all take place in the language you are studying so you never stop learning!

Living with your teacher means that you have the opportunity to speak the language before, during and after your lessons for a true full-immersion experience.

Home Language International (HLI)

is a family run business offering full immersion language courses in over 30 countries worldwide.

Private language lessons

Your teacher prepares the course for you alone. The lessons are completely personalised so your teacher will focus exactly on your needs and objectives. You can choose 10h (combined with activities or cultural excursions), 15h, 20h, 25h or 30h per week of one-to-one lessons and stay the number of weeks you wish. Whether you are a complete beginner or highly advanced, the lessons are adapted to your level and your requirements.

Our host teachers

All of our teachers have either a recognised teaching certificate and/or a university degree (or equivalent). They have been visited by our local organisers which means that their qualifications have been verified and their homes thoroughly inspected. We have more than 2000 experienced teachers worldwide. Special attention is given to match your interests with those of the host family.

Our local organisers

Every destination we offer is supervised by a resident Local Organiser whose job is to monitor the progress of each student and to make sure their experience with us is both enjoyable and successful.

Hello everybody,

Live in your private teacher's home and never speak your own language. With Home Language International you learn the language of your choice in the country of your choice (20 languages + 30 destinations !). This really is the best way for you to improve your language speaking and understanding rapidly and efficiently.

I am Ian Josephs and I invented the idea of "living and studying in your private teacher's home" in 1979. We were the very first to offer this service and after over 40 years experience of welcoming more than 50,000 students you can be sure that we at Home Language International have the necessary experience needed to devise a course to suit your personal needs taking careful account of your age, your business or scholastic requirements, and your present level of English or any other language that you choose.

I am the founder and owner of HLI and unlike others in my position you can contact me directly by email at ian@monaco.mc I will be delighted to hear from you at any time.

Thank you for reading this,

IAN

Adults & professionals

Our Classic programme is perfectly suited for adults and professionals looking for a fast and efficient way of learning a language in a comfortable and welcoming environment. Whether you wish to improve your fluency or learn a new language, our programmes are adapted to your needs. Some of our teachers have knowledge of subjects such as business, computing, engineering, tourism etc. They are able to offer specialised courses using the vocabulary of these subjects on request.

Children & teenagers

Children and teenagers are placed with carefully selected friendly host families who are experienced in teaching young students. Our programmes with activities, sports, cultural excursions, and farmstays are highly popular with teenagers and children who can learn whilst having fun. We also offer a closer supervision option specially designed for up to 12 year olds, and students who are scared of leaving home for the first time can choose to share with a friend or parent.

The HLI text book is available

on request free of charge to all students who have completed a language course in an English speaking country.

5 Star exclusive

Double the published rates

Speak to your business associates in their own language and you will gain their immediate respect. Senior executives may hesitate before travelling abroad to learn a language because the average family accepting students in their home does not live at the standard to which an executive is accustomed. We have therefore selected our most exclusive families who host for the love of teaching and the pleasure of meeting people from different international backgrounds. They will offer you extra comfort including a private bathroom and tailor-made lessons & activities for a truly memorable experience.

Extra nights

Extra nights without lessons can be arranged to allow for flight schedules. Please note that from 4 extra nights onwards a full week is charged. See individual destinations for prices.

Boarding

For university students or children/teens in boarding school who are looking for a place to stay during half term. Our host families welcome long-term guests on a full board basis, provide a private bedroom with a study and can prepare students for their exams (IGCSE/GCSE/A levels/BA/MA...etc). Pick up & drop off can be organised from school. Please contact us for a quote.

HLI Click

Choose your own host family! We have selected host families with whom you can get in touch with directly before you book your course to make sure that your personal relationship is good and that the hospitality will be everything you are looking for. This is a unique opportunity offered by HLI. Visit our website: www.hli.co.uk to see our selected families.

Transfers

We can arrange transfers from the nearest airport, station or seaport to your host family. Transfers are taken care of by the host family, the local organiser or a private driver (usually by car, occasionally by public transport). Please contact us for a quote if your transfer destination is not listed. If you do not arrive at the airport/port/station indicated on your family profile or if you arrive/leave the host family before 8am or after 8pm charges will be increased. A supplement may be charged for late arrival and UM service (unaccompanied minors) if there is a lot of waiting time. Transfers are usually individual but can in rare cases be shared with other students.

Students aged 15 and under MUST take 2-way transfers unless we are notified that they are accompanied by their parents.

A mobile phone number is required for all students who book transfers.

See page 60-61 for airports and prices.

Advice for your stay

Activities

We strongly recommend that all students, especially the younger ones, book activities as these allow them to practise what has been studied during the lessons and work on conversational skills while enjoying themselves. Keeping the younger students occupied contributes to making the stay successful. School holidays may not be on the same dates as in your home country so the children in the host family may be at school during your stay.

Your host family

We recommend that you contact your host family by phone or email at least one week before your stay. Our host families would like to learn more about you, your food preferences, language level and what you are expecting from your course. This will help them prepare better for your stay. Families in a foreign country may not have the same way of living as you. There may be different rules, food and living conditions. You should be ready to accept cultural differences in order to get the most out of your stay.

Smoking

In many countries you cannot smoke in public areas (bars, restaurants etc.). Very often, our host families do not allow smoking in the house. If there are smokers in the host family they will often smoke outside or only in a specific area in the house. When you book your programme please tell us if you prefer a non-smoking family.

Smartphones, tablets etc.

We advise parents to ask their children to limit the use of smart phones, laptops or tablets since frequent communication with friends and family in their mother tongue will affect their full-immersion experience.

Spending money

We recommend you bring at least £65, €85 or US\$85 spending money per week.

Insurance

EU students travelling to an EU country are advised to get the European Health Insurance Card. All students are advised to have personal insurance to cover any cancellation, loss of property etc.

By signing this document I agree to the Terms and Conditions, which include HLI's Privacy Notice. I fully understand and agree unconditionally that Home Language International reservations office must be notified of any problem or complaint before the end of the stay; if the student is a minor (under 18) it is the responsibility of the parent or guardian to inform us. I agree that if this is not done, no claims against HLI will be considered for any reason whatsoever.

I have read, understood and agree to HLI's Terms and Conditions, which include the Privacy Notice.

By enrolling you accept the following:

General

Home Language International (HLI) considers the choice of family to be more important than a specific town and reserves the right to place the student in another area if there is no compatible family in the area of first choice.

If the family we select does not match the requirements as stated on the booking form, students are free to cancel and will receive a complete refund provided the refusal is received no more than 48 hours after the family profile was sent.

If the original family selected cancels through illness or personal problems, a week or less before arrival (which rarely happens but when it does is unavoidable), a new replacement family will be provided but no cancellation will be accepted.

To the best of our knowledge all family details are correct when they are provided and HLI accepts no responsibility for subsequent changes in family circumstances that may occur without ourselves being informed. Please note that if the host family has children, HLI cannot guarantee that they will be present during the stay. No refunds can be given if any family members are absent or if additional family members are present.

HLI must be notified of any problems or complaints before the end of the stay; if the student is a minor (under 18) it is the responsibility of the parent or guardian to inform us. Claims against HLI will only be considered if this is done.

Enrolments are accepted on condition that students tell us if they have any illness or disabilities, and give us details in advance. HLI reserves the right to send home students who have not disclosed such information and also students who behave in an inappropriate manner. HLI reserves the right to place a student with more than one host teacher or change the family during the stay if we feel it necessary. HLI also reserves the right to organize a homestay with one family and lessons with an outside teacher if a teacher family cannot be found. No guest of the same nationality or mother tongue will stay in the family at the same time as an HLI student. Host families are however allowed to have guests of any nationality providing that they do not interfere with the HLI student's lessons or share the same language as them.

Please note only one discount can be claimed at any one time.

Transfers

If transfers are booked HLI must receive flight numbers and arrival times at least one week in advance otherwise the transfers are cancelled and non-refundable. If no transfers are booked the student should contact the family directly to let them have an approximate arrival time. If the family does not hear from the student, they will not expect them to arrive before 19h00. A mobile phone number is required for all students. Transfers are usually individual but can in rare cases be shared with other students. A supplement may be charged for late arrival if there is a lot of waiting time, as well as for arrivals & departures to/from the host family before 8am or after 8pm.

Cancellations & Insurance

- Up to 28 days before arrival: £200, €250, US\$250
- 28 days to 48 hours before arrival: 50% of total fees
- 48 hours or less before arrival: 100% of total fees
- After the course start date: 100% of total fees
- Fees are not refunded for late arrivals (after start of the course) or early departures (before end of the course)

Students MUST take out their own insurance against illnesses, accidents to themselves or third parties, loss of property and cancellations as no other refunds will be given.

Alteration charges

Alterations of area, date or programme often mean cancelling one family and finding another, so we must charge £100, €150 or US\$150 in every case.

Furthermore, when programmes with sports and leisure activities are cancelled or altered at any time, we have to refund the payment for the activity side of the booking to the host family in full because they in turn have paid for the activity several months in advance to secure places in busy periods. Therefore sports and leisure activities will be charged in addition to the cancellation fees in all cases (except when 100% of the fees are due).

Visas

We cannot issue visas but we can send a visa invitation letter by express courier. It is the responsibility of the client to submit the correct documents to the relevant visa authorities. HLI will supply such documents on request from the client or the agent. If a visa is refused, for example because a document is badly filled in or is missing, the student should submit an application for a second visa, if this is refused HLI will refund all fees paid less deposit. Please note there are often special requirements for students under 16 staying in the UK for more than 27 days and this can sometimes take the form of a letter to show that the local authority has been notified.

Payment

Full fees must be paid at least 4 weeks before arrival in the currency invoiced. Payment may be made by:

1. Bank transfer

Effective July 30th 2019

Within the framework of our enrolment form, we collect information about you. This privacy notice explains who we are, how we collect, share and use personal information, and how you can exercise your privacy rights. Changes to the Privacy Notice might be made so please visit our website for the latest version. Your data may be used for different purposes than those mentioned here. If that is the case we will notify you accordingly and proceed only if you agree. If you disagree with our Privacy Notice, please discontinue using our services. If you agree, let's have a great language learning experience together!

Background

We provide language tuition home-stays. You will stay and live with a host teacher and he/she will teach you the language that you have chosen to learn. Your placement is made through what is in effect a matchmaking process. Our company is registered in Jersey and our administration office is based in Monaco. This is where your data is collected.

What information is being collected?

The information collected is your name, country and city of residence, phone number, e-mail address, age, gender, profession, nationality, language level, your hobbies, whether you smoke or not, your allergies, important medical conditions etc. We also include anything relevant to the purpose of selecting a suitable host family and teacher for you. Credit card details may also be needed for payments.

What is the legal basis for processing your information?

Collecting your personal information is necessary for the selection of your host teacher. It helps us fulfil our contractual obligations to you.

Will the information be shared with any third parties?

The information you provide is shared with HLI local organisers and host families. Sometimes this may be a single local organiser and a single host family but we may have to share your information with more than one local organiser and consequently more than one host family in order to find a match. Also, we will have to disclose your personal information if required to by law. Your payment information (e.g. credit card details) will never be communicated to a third party.

How will the information be used?

Local organisers are trusted individuals, carefully selected by HLI. They are tasked with managing families in given areas and they know all their families personally. They will use the information to match you with the most suitable family. We will never use your information with automated decision-making systems, including profiling systems.

How long will your information be stored for?

We will keep your personal information for as long as we have a relationship with you. Once our relationship with you has come to an end we will keep your personal information for a period of time that enables us to maintain business records for analysis (understanding market trends and/or audit purposes and to improve our services) and to comply with record keeping requirements under applicable laws. We may also need the information to process any existing or potential legal claims, to carry out fraud detection and prevention or to deal with any complaints regarding our services. We will delete your personal information when it is no longer required for these purposes. We will never sell or rent your information to anyone.

Who is responsible for your information?

Home Language International Ltd. is responsible for your information and the Office Manager can be reached by phone: +377 97 70 74 72 or email: hli@monaco.mc

What rights do you have?

If you are an EU citizen, you have rights under the European Union's General Data Protection Rules to access or object to the use of personal information held about you, at any time. You can also ask us to rectify, update, erase, restrict or share your information in a usable format with another company. We encourage you to contact us to update or correct your information if it changes or if the personal information we hold about you is inaccurate. If you would like to discuss or exercise such rights, please contact our Office Manager.

Promotion

We may contact you regarding promotional activities such as Facebook posts and in such cases we will provide you with full information and ask for your specific consent.

How can you raise a complaint?

If you are dissatisfied with how we have used your personal information, you may lodge a complaint to your relevant supervisory authority (in your country of residence). For example in the UK this would be the Information Commissioner's Office.

Founded in 1978. Today UNOSEL has a membership of sixty-two professional organisations. The aim of the Association is to promote and inform the public of the professionalism of its members, to develop consumer confidence by giving consumers genuine guarantees of service, and to keep its members abreast of new developments in the profession. The commitment of the members of UNOSEL is embodied in the European Standard on Language tours, and the UNOSEL quality charter.

HLI chose ASIC because it is the largest and only truly international accreditation body enabling students to obtain visas for the UK and other countries. The British Council serves only schools in the UK and as HLI is based in Monaco we naturally selected ASIC because it recognises universities and schools worldwide and is by far the largest and most important accreditation body.
